2025 12th International Conference on Electrical and Electronics Engineering

We cordially invite you to the 12th International Conference on Electrical and Electronics Engineering (ICEEE 2025), where cutting-edge research meets timeless inspiration: 1. Global Insights: Explore breakthroughs in power systems, semiconductor technologies, smart grids, and beyond. 2. Expert Dialogues: Engage with 60+ nations on AIoT, renewable energy integration, and emergent trends. 3. Collaborative Innovation: Connect with academia and industry through technical exhibitions and dedicated networking forums.

Let the golden sunsets over Topkapı Palace illuminate your research, and let the currents of the Bosphorus carry your ideas forward—join us at ICEEE 2025 to shape the future of electrical engineering!
